

8 April 2011

Moroccan Representation Established

ACOR Auditors & Advisors joins Morison International from April 2011 to provide representation in Rabat, Morocco.

The firm was founded in 2007, and has quickly established an excellent reputation serving a range private companies, public institutions, not-for-profit entities and private individuals.

ACOR Auditors & Advisors service offering includes audit, company formation, legal and tax advice, training, recruitment consultancy, planning, business planning and corporate finance. The firm reports in IFRS, Moroccan and French Standards and is a member of the Ordre des Experts Comptables (Association of Chartered Accountants in Morocco).

ACOR Auditors & Advisors serve a wide range of industries, with particular emphasis on real estate, healthcare and financial services.

A high proportion of the firm's fees are derived from international work, with client assignments in China, France, Italy, Portugal, Spain, UAE and USA. The firm has English, French, Spanish and Arabic language capabilities.

Mr Mostafa Benhoumane is the firm's Managing Partner and Mr Abderazak Boukili will be the International Liaison Partner for Morison International.
